1. Prep potatoes

Preheat oven to 450°F with a rack in the upper third.

Scrub **potatoes**; grate on the large holes of a box grater. Toss with ½ **teaspoon salt**. Wrap potatoes in a clean kitchen towel and twist to squeeze out as much liquid as possible. Toss in a medium bowl with **shallots** and ½ **teaspoon granulated garlic**.

4. Cook buns & eggs

Meanwhile, in a medium bowl, whisk together **3 large eggs**; season with **salt** and **pepper**.

In a second medium nonstick skillet, melt **2 tablespoons butter** over medium heat. Toast **buns**, cut-side down, until golden brown, 2–3 minutes; set aside.

Heat **1 tablespoon butter** in same skillet over medium-low. Add **half of the eggs**; sprinkle with **half of the cheese**.

2. Cook bacon

Place **bacon** in a medium nonstick ovenproof skillet (or cast-iron). Cook over medium-high heat until fat is rendered and bacon is crisp, 3–4 minutes per side. Transfer to a paper towel-lined plate.

Heat **remaining bacon fat** in skillet over high until shimmering. Add **potato mixture** and use a spatula to firmly press into an even layer. Lower heat to medium.

5. Finish & serve

Cover skillet and cook until **omelette** is set, 1–2 minutes. Transfer to a cutting board. Fold omelette into thirds to form a rectangle, then into thirds again to form a square. Repeat with **remaining eggs and cheese**.

Sandwich **omelettes** and **bacon** between **buns**, then top with **Buffalo sauce**. Cut **hash browns** into wedges. Enjoy!

3. Cook hash browns

Cook **potatoes**, swirling skillet occasionally, until browned underneath (carefully lift with spatula to check), 5–8 minutes.

Cut **2 tablespoons butter** into ¼-inch pieces and sprinkle over **hash browns**. Bake on upper oven rack until tender and surface is browned, 20–25 minutes. Transfer to a cutting board, bottom-side up.

6. Customize your sandwich!

Add any other desired condiments to your breakfast sandwich, or sneak in some veggies by throwing in a handful of greens.
