1. Season pork

In a medium bowl, add **pork** and **2 tablespoons hoisin sauce**, stirring gently to combine. In a small bowl, whisk **1 teaspoon water** into the remaining hoisin sauce and reserve for step 6.

2. Cook pork

Heat **1½ tablespoons oil** in a medium skillet over medium-high. Add **pork** and season with **salt** and **pepper**; cook, breaking up into smaller pieces, until cooked through and browned in spots, about 5 minutes. Sprinkle with **toasted sesame seeds**.

3. Prep veggies

Meanwhile, chop **romaine** crosswise into 2-inch ribbons down to end, discarding stem end. Trim **radishes**, then thinly slice. Trim ends from **cucumber**, peel one half, and thinly slice (save rest for own use).

4. Make salad

Combine **romaine**, **sliced cucumbers**, and **radishes** in a medium bowl. Sprinkle with **1 tablespoon oil** and **1 teaspoon rice vinegar**; season to taste with **salt** and **pepper**.

5. Cut lime & pick mint

Pick **mint leaves** from stems. (Pro tip: Pinch your thumb and pointer finger together and run from the top of the stem down to remove leaves quickly). Cut **lime** into wedges.

6. Serve

Spoon **salad** into bowls and top with **pork** and **mint leaves**. Drizzle **reserved hoisin sauce** on top and serve with **lime wedges** on the side for squeezing over, if desired. Enjoy!
