1. Roast oven fries

Preheat oven to 450°F with a rack in the lower third. Scrub **potatoes** and halve lengthwise, then cut into $\frac{1}{2}$ -inch wedges. Toss on a rimmed baking sheet with **2 tablespoons oil**; season generously with **salt** and **pepper**. Spread into an even layer and roast on lower oven rack, without stirring, until golden and crisp, 20–25 minutes.

2. Prep ingredients

Coarsely chop **2 tablespoons jalapeño** (or less depending on heat preference); reserve remaining for serving.

Finely chop **1 teaspoon garlic**.

Divide **turkey** into 2 equal portions (do not form patties).

3. Make cheese sauce

Heat **1 tablespoon oil** in a small saucepan over medium-high. Add **2 teaspoons flour** and **chopped garlic**; cook, about 30 seconds. Add **$\frac{2}{3}$ cup milk** and **$\frac{1}{4}$ teaspoon salt**; whisk to combine. Simmer until slightly thickened and reduced to about $\frac{1}{2}$ cup, 3–5 minutes.

Remove from heat; stir in **cheese** and **chopped jalapeños**.

4. Cook burgers

Heat a large skillet over high until very hot, about 2 minutes; lightly brush with **oil**. Add **turkey** and smash each mound flat with a spatula, forming 5-inch patties. Season with **salt** and cook, undisturbed, until outer edges are brown, 2–3 minutes. Flip, season with **salt**, and cook until medium-rare, about 2 minutes (or longer for desired doneness). Transfer to a plate.

5. Toast buns & serve

Add **buns**, cut side-down, to same skillet; toast until lightly browned, 1–2 minutes.

Serve **smash burgers** on **buns** with some of the **cheese sauce** spooned over top and any **remaining jalapeño slices**, if desired. Serve with **oven fries** alongside and **remaining sauce** for dipping. Enjoy!

6. Take it to the next level

We've heard tell of legendary poppers that are wrapped in, umm, bacon. Makes us blush just talking about it. If you're into it too, chop up any strips you have in the fridge and crisp them in a skillet to serve on top of these burgers.
