1. Roast fries

Preheat oven to 450°F with a rack in the center.

Scrub **potatoes**; cut into ¼-inch thick fries. Toss fries on a rimmed baking sheet with **2 tablespoons oil**; season with **salt** and **pepper**. Roast on center oven rack until fries are deeply browned in spots and crisp, 35–40 minutes.

2. Shape patties

Cut parchment paper into 4 (6-inch) squares. Evenly divide **beef** among the 4 parchment squares; press into 4-inch wide patties with a slight divet in the center. Spread **1 tablespoon cheese sauce** in the center of 2 of the patties, leaving a ½-inch rim. Using parchment paper, lift remaining 2 patties and place on top of **cheese filled patties**; press gently around rim to seal.

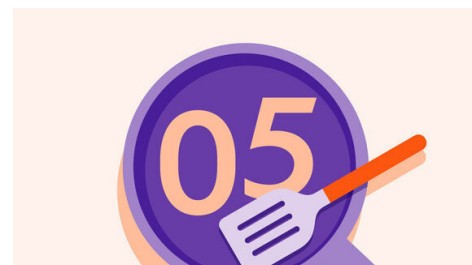

3. Toast buns

In a medium heavy skillet, melt **2 tablespoons butter** over medium heat. Place **buns** cut-side down in skillet; cook until golden brown and toasted, 2–4 minutes. Set buns aside; wipe skillet clean.

4. Cook burgers

In same skillet, heat **1 tablespoon oil** over medium-high until lightly smoking. Season top sides of **patties** with **salt** and **pepper**. Using parchment, lift and gently lower patties into skillet, seasoned-side down. Season other side with **salt** and **pepper**. Cook until well browned and medium rare, 2–3 minutes per side (or longer for desired doneness).

5. Serve

Transfer **patties** to **buns**. Top **burger** with any desired toppings and condiments and serve with **fries** alongside. Enjoy!
