1. Cook potatoes

Scrub **potatoes**, then cut into ½-inch pieces. Place in a medium saucepan with enough **salted water** to cover by 1 inch. Bring to a boil. Lower heat and simmer until just tender but not falling apart, 12–15 minutes. Drain and rinse potatoes with cold water; return to saucepan off heat.

2. Dress potatoes

Trim **scallions**, then thinly slice.

To saucepan with **potatoes**, add **ranch dressing**, **scallions**, and a **pinch each of salt and pepper**. Stir until potatoes are coated; set aside until ready to serve.

3. Cook steaks

Pat **steaks** dry and season all over with **salt** and **pepper**.

Heat a grill or grill pan over medium-high. Add steaks; cook until lightly charred and medium-rare, about 3 minutes per side (or longer for desired doneness). Brush **half of the barbecue sauce** over steaks; cook, turning, until glaze is charred in spots, about 1 minute more. Transfer to a cutting board to rest.

4. Finish & serve

Thinly slice **steaks**, if desired.

Serve **BBQ steak** with **remaining barbecue sauce** and **ranch potato salad** alongside. Enjoy!
