1. Cook noodles

Bring a large pot of **salted water** to a boil. Add **noodles** and cook, stirring occasionally to prevent sticking, until al dente, 6-8 minutes. Drain noodles, then rinse under cold water and toss with **1 teaspoon oil**.

2. Prep veggies

Meanwhile, trim **sugar snap peas**, if desired; thinly slice lengthwise. Halve **bell pepper**, discard stem and seeds, and cut lengthwise into thin strips. Finely chop **2 teaspoons garlic**. Trim **scallions**, then cut into 2-inch pieces.

3. Brown steak strips

Heat **1 tablespoon neutral oil** in a large nonstick skillet over high until shimmering. Pat **steak** dry; thinly slice into strips. Add to skillet and cook, without stirring, until well browned on one side, about 3 minutes. Stir and continue to cook until beef is cooked through, about 2 minutes more. Transfer to a plate.

4. Cook peppers & aromatics

Heat **1 tablespoon neutral oil** in same skillet over high until shimmering. Add **peppers** and cook, stirring occasionally, until peppers are softened, about 5 minutes. Stir in **scallion pieces** and **chopped garlic**, and cook until fragrant, about 1 minute.

5. Finish stir-fry

Add **snap peas, steak strips, stir-fry sauce, sesame oil**, and **¼ cup water** to skillet; stir to combine. Bring to a simmer and cook until steak strips are warmed through, about 1 minute. Remove from heat and add **noodles** to skillet. Toss to coat noodles. Season to taste with **salt** and **pepper**.

6. Garnish stir-fry & serve

Coarsely chop **cilantro leaves** and **tender stems** together. Add **half each of the cilantro and sesame seeds** to **noodles**, tossing to combine. Serve **steak stir-fry** topped with **remaining cilantro and sesame seeds**. Enjoy!
