1. Prep hash & bacon

Preheat oven to 450°F with a rack in the center.

Scrub **potatoes**; cut into ¼-inch pieces. Halve **pepper**; discard stem and seeds. Cut into ½-inch pieces.

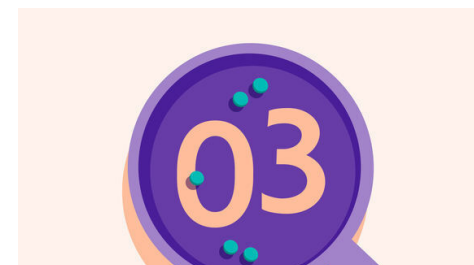

On a parchment-lined rimmed baking sheet, toss potatoes and peppers with **1 tablespoon oil**. Season with **salt** and **pepper**. Lay **bacon** around edges of sheet. Bake until bacon is browned and crisp, 15–20 minutes.

2. Finish hash

Transfer **bacon** to a paper towel-lined plate. Stir veggies and continue baking until **potatoes** are browned and tender and **peppers** are deeply browned in spots, 10–15 minutes.

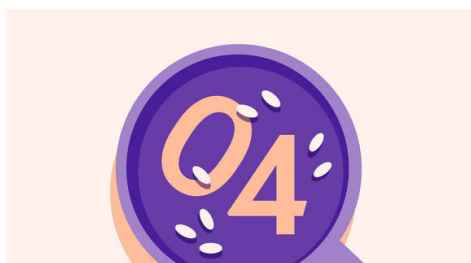

Trim **scallions**; thinly slice. When ready to serve, sprinkle veggies with **half the cheese**; bake until melted, 2–3 minutes. Sprinkle with scallions.

3. Mix eggs & batter

Meanwhile, in a medium bowl, whisk together **3 large eggs**, **1 tablespoon milk or water**, and a **pinch each of salt and pepper**.

In a second medium bowl, whisk together **1 large egg**, **1 tablespoon maple syrup**, and **¼ cup milk or water**. Whisk in **all of the biscuit mix** until no dry flour remains (there will be lumps).

4. Cook griddle cakes

Heat a medium nonstick skillet over medium-low. Pour in about **¼ cup batter** at a time (do not overcrowd pan). Cook until edges look dry and bubbles form on top, about 2 minutes (reduce heat if browning too quickly). Flip and cook, 1–2 minutes more. Transfer to a plate.

Brush **remaining maple syrup** over **griddle cakes**; set aside to soak.

5. Cook eggs & serve

In same skillet, heat **1 tablespoon butter** over medium. Add **half of the eggs**; swirl and cook until set, 1–2 minutes. Transfer to a cutting board. Sprinkle with **half the remaining cheese**. Cut in half, then fold into 2 squares. Repeat with remaining eggs and cheese.

Sandwich **bacon** and **eggs** between **griddle cakes** with maple side facing inward. Serve with **hash**. Enjoy!
