1. Cook sausage

Preheat oven to 400°F with a rack in the center.

Heat **1 tablespoon oil** in a medium ovenproof skillet (preferably cast-iron) over medium-high. Add **sausage** and cook, breaking up into smaller pieces, until browned, about 6 minutes. Using a slotted spoon, transfer sausage to a medium bowl.

2. Prep veggies

While **sausage** cooks, halve **onion** and coarsely chop. Halve **bell pepper**, discard stem and seeds, then cut into ½-inch pieces. Thinly slice **scallions**.

Return same skillet to medium-high heat. Add onions and bell peppers; season with **salt** and **pepper**. Cook, stirring occasionally, until veggies start to soften, about 5 minutes.

3. Cook veggies

Add **3 tablespoons water**, scraping up any browned bits from bottom of skillet; continue cooking until **veggies** are tender and browned in spots, 3-5 minutes more.

Remove from heat and stir in **sausage**, **green chiles**, and **half of the cheese**; spread into an even layer.

4. Mix cornbread & bake

In a medium bowl, microwave **2 tablespoons butter** until melted. Add **all of the cornbread mix** and **¾ cup water**; mix to combine. Fold in **corn** and **half of the scallions**.

Transfer **batter** to skillet; spread into an even layer over **sausage filling**. Bake on center oven rack until surface is just set, about 15 minutes.

5. Cook eggs & cheese

Using a spoon, make 2 indentations on surface of **cornbread**. Crack **1 large egg** into each well; season with **salt** and **pepper**. Return to center oven rack and bake until eggs are almost set, 6 minutes. Sprinkle **remaining cheese** over top. Bake until eggs are set and cheese is melted, 2-4 minutes more.

6. Finish & serve

Let skillet rest for 5 minutes, then sprinkle with **remaining scallions**.

Cut **country sausage breakfast skillet** into wedges and serve. Enjoy!
