#### 1. Microwave potato

Preheat oven to 450°F with a rack in the upper third.

Scrub **potato**; prick all over with a fork. Place on a microwave-safe plate and microwave on high for 3 minutes. Flip and continue to microwave until soft and can be easily pierced to the center with a knife, 2–3 minutes more. Set aside to cool.

#### 2. Prep veggies

Coarsely chop **tomatoes** directly in can with kitchen shears; season with **1 teaspoon salt** and **½ teaspoon pepper**.

Finely chop **1 tablespoon garlic**. Scrub **zucchini**; cut into ¼-inch thick rounds. Halve **onion** and thinly slice.

Once cool enough to handle, slice **potato** into ¼-inch thick rounds.

#### 3. Assemble veggies

Spread **half of the tomatoes** on the bottom of a 7x10-inch baking dish. Layer **potatoes** on top; season with **salt** and **pepper**.

In a large bowl, toss together **zucchini, onion, chopped garlic, 1 teaspoon oregano, and ¼ cup oil**; season with **salt** and **pepper**. Shingle veggies over potatoes; pour any **remaining oil** in bowl over top. Spread **remaining tomatoes** over top.

#### 4. Bake & marinate chicken

Bake on upper oven rack until **veggies** are soft and **zucchini** is just starting to brown, 25–30 minutes.

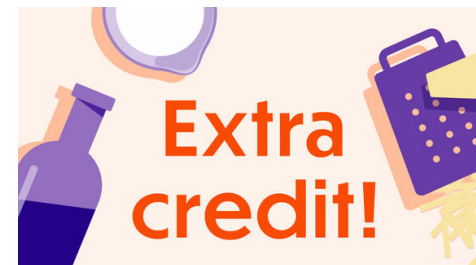

Meanwhile, finely grate **1 small garlic clove** into a medium bowl. Add **chicken, ½ teaspoon oregano, 1 teaspoon each of vinegar and oil, and a pinch each of salt and pepper**. Set aside to marinate.

#### 5. Broil & serve

Once **veggies** are cooked, turn oven to broil. Nestle **chicken** in an even layer over same baking dish; crumble **feta** into ¼-inch pieces and scatter over top. Broil on upper oven rack until chicken is lightly browned and cooked through, 4–5 minutes.

Let **Greek chicken and vegetable bake** cool for 5 minutes before serving. Enjoy!

#### 6. Greek it up!

Throw in some kalamata olives, drizzle on tzatziki sauce, or just give your bake a squeeze of lemon before serving.
