

Roasted Chicken Thighs

with White Bean-Chard Stew & Basil Pesto

ca. 20min

2 Servings

There are so many reasons to love chicken thighs. They're juicy, tender, flavorful, and because we're using boneless, skinless thighs, they cook in a flash! Here we coat the chicken in aromatic basil pesto, then roast them. Slice the thighs right before serving and lay them over a tender collard green and white bean stew. We complete this restaurant-worthy meal with toasted bread alongside to sop up the basil-brothy goodness.

1. Prep Swiss chard & garlic

Preheat oven to broil with a rack in the top position. Trim stem ends of **Swiss chard**. Strip Swiss chard leaves from stems. Thinly slice stems and tear or chop leaves into bite-sized pieces, keeping them separate. With the flat side of a knife, lightly crush **2 large garlic cloves**.

2. Broil chicken

Pat **chicken** dry. On a rimmed baking sheet, toss chicken with **half of the pesto**; season with **salt** and **pepper**. Broil chicken on top oven rack until well browned on top and cooked to 165°F internally, 6-8 minutes (watch closely as broilers vary).

3. Cook Swiss chard

While **chicken** broils, combine **crushed garlic cloves** with **2 tablespoons oil** in a medium skillet. Cook over medium-high heat until garlic is lightly golden brown, 1-2 minutes. Add **Swiss chard stems**; season with **salt** and **pepper**. Cook, stirring occasionally, until crisp-tender, 2-3 minutes. Add **Swiss chard leaves** and cook, stirring, until wilted, 2-3 minutes more.

4. Add beans

To same skillet, add **beans and their liquid, broth concentrate**, and **¾ cup water**. Cook over medium-high until liquid has reduced by half, 3-5 minutes. Off heat, grate in **half of the Parmesan** and **zest and juice of half the lemon**. Add **1 tablespoon oil**; stir vigorously until silky and creamy. Remove **garlic cloves** if desired. Season to taste with **salt** and **pepper**.

5. Toast bread

Drizzle cut sides of **ciabatta** with **oil** and place directly on top oven rack, cut-side up. Broil until lightly toasted, about 1 minute (watch closely as broilers vary). Cut **1 large garlic clove** in half and rub cut sides of toasted bread with garlic.

6. Finish & serve

Cut **remaining lemon** into wedges. Spoon **Swiss chard and beans** into bowls. Slice **chicken**, if desired, and place on top. Garnish with **remaining pesto**, a **grating of Parmesan**, and a **drizzle of oil**. Serve **bread** and **lemon wedges** on the side. Enjoy!
