1. Prep ingredients

Coat a medium baking dish with nonstick cooking spray or **oil**.

Scrub **potato**, then cut into ¼-inch pieces. Place in a small microwave-safe bowl, cover with a damp paper towel, and microwave until just tender when pierced with a knife, 5-7 minutes.

Finely chop **onion**. Halve **poblano pepper**, discard stem and seeds, then cut into ¼-inch pieces.

2. Cook chorizo & potatoes

Heat **2 tablespoons oil** in a medium nonstick skillet over high. Add **chorizo** and cook, breaking meat up into smaller pieces, until browned, 3-5 minutes. Add **cooked potatoes** and ½ **teaspoon granulated garlic**; season with **salt** and **pepper**. Cook stirring occasionally, until potatoes are browned, and chorizo is cooked through, 4-6 minutes.

3. Add vegetables

Add **onions** and **peppers**; season with **a pinch each of salt and pepper**. Cook, stirring occasionally, until softened and lightly browned, 4-6 minutes. Remove from heat and stir in **half of the cheese**.

In a medium bowl, whisk to combine 1 cup milk and cornstarch until smooth. Mix in 4 large eggs, 1½ teaspoons salt, and a pinch of pepper.

4. Assemble enchiladas

Arrange tortillas on a work surface. Divide chorizo filling among tortillas, then roll up and place, seam side down, in prepared baking dish. Pour egg mixture over filled tortillas. Sprinkle remaining cheese over top. Cover with foil and refrigerate overnight.

5. Bake enchiladas

Preheat oven to 350°F with a rack in the center.

Bake **enchiladas**, covered, on center oven rack for 35 minutes. Uncover and continue baking until **cheese** is melted and enchiladas and **eggs** are set, 10-15 minutes more. Let cool for 5 minutes.

6. Finish & serve

Finely chop **cilantro leaves and stems**. Sprinkle over the top of **enchiladas**.

Serve **enchiladas** with **salsa** on the side. Enjoy!
