1. Prep dough

Place **pizza dough** in a lightly **oiled** bowl; set aside to come to room temperature.

Preheat oven to 500°F with a rack in the lower third.

2. Cook bacon & make glaze

Slice **bacon** into ½-inch pieces. Add to a small nonstick skillet and cook over medium-high heat, stirring occasionally, until golden brown and crisp, about 4 minutes. Transfer to a paper towel-lined plate.

Add **rendered bacon fat** to a small bowl, finely grate in ½ **teaspoon garlic** and whisk in **maple syrup**.

Oil a rimmed baking sheet. Lightly **flour** a clean work surface.

3. Bake crust

Roll or stretch **dough** into a 12-inch circle. If dough springs back, cover, let rest 5 minutes, and try again. Carefully transfer to prepared baking sheet; brush dough with **maple-bacon glaze**. Sprinkle **everything bagel seasoning** in a 1-inch border on the edge of dough.

Bake on lower oven rack until browned, 10–15 minutes (watch closely as ovens vary).

4. Bake eggs

Sprinkle **all of the shredded cheese** over the crust, leaving a 1-inch border. Form 2 wells in cheese on **pizza**; crack **1 large egg** into each well (2 eggs total) and season lightly with **salt** and **pepper**. Return pizza to bottom oven rack and bake until bottom of crust is browned and eggs are just set, 5–8 minutes.

5. Make spicy ketchup

Thinly slice **half of the chives** (save rest for own use).

In a small bowl, combine **buffalo sauce** and **3 tablespoons ketchup**. Slightly thin with **1 teaspoon water** at a time, to reach desired consistency.

6. Finish & serve

Drizzle **spicy ketchup** over pizza and sprinkle with **chives** and **bacon**. Cut **pizza** into wedges and serve. Enjoy!
