1. Cook potatoes

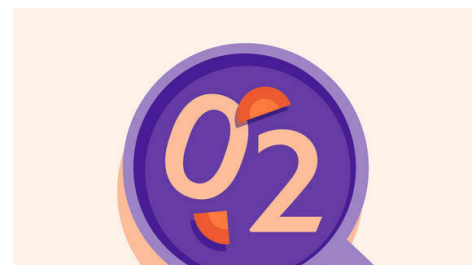

Peel **potatoes** (or leave skins on and scrub clean); cut into 1-inch pieces. Transfer to a medium pot with **1 teaspoon salt** and enough **water** to cover by 1 inch. Cover and bring to a boil over high heat. Uncover and cook until easily pierced with a fork, about 10 minutes. Drain and return potatoes to pot off heat with **2 tablespoons butter**. Cover to keep warm until step 5.

4. Make pan sauce

While skillet is still hot, return **caramelized onions** to skillet off heat. Stir in **¼ teaspoon granulated garlic, Worcestershire sauce, and 1 teaspoon vinegar** until combined.

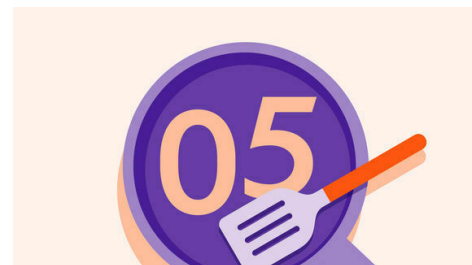

Into pot with **potatoes**, add **Parmesan**.

2. Caramelize onions

While **potatoes** cook, thinly slice **half of the onion** (save rest for own use).

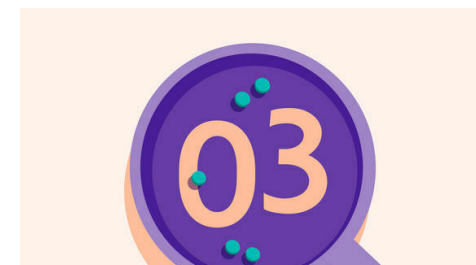

Melt **2 tablespoons butter** in a medium heavy skillet over medium-high. Add onions; cook, stirring occasionally, until starting to soften, 5–6 minutes. Reduce heat to medium-low; cook, stirring, until deeply browned and jammy, 8–10 minutes; transfer to a plate and set aside.

5. Finish potatoes & serve

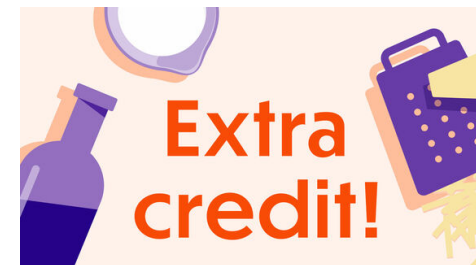

Return saucepan with **potatoes and Parmesan** over medium heat; add **⅓ cup milk**. Mash with a potato masher or fork until smooth; season to taste with **salt and pepper**. Slice **steak**, if desired.

Serve **steak** with **mashed potatoes** alongside. Top with **French onion pan sauce, a few grinds of pepper, and a pat of butter**, if desired. Enjoy!

3. Cook steak

Pat **steaks** dry, then season all over with **salt and pepper**. Return same skillet to medium-high heat with **1 tablespoon oil**. Add steaks and cook until well browned and medium-rare, 2–3 minutes per side (or longer for desired doneness). Transfer to a cutting board to rest until ready to serve.

6. Side veggies!

As good as steak and cheesy mashed potatoes are on their own, we always try to get our veggies in at dinner time. Roast some broccoli or carrots to serve on the side!
