### 1. Roast potatoes

Preheat oven to 450°F with rack in center. Scrub **potato**, then cut into ½-inch thick wedges. On a rimmed baking sheet, toss potatoes with **1 tablespoon oil**; season with **salt** and **pepper**. Roast on center oven rack until potatoes are golden and crisp underneath, 10–12 minutes.

### 4. Roast green beans

Meanwhile, flip **potatoes** and push to one side of the baking sheet. Add **green beans** and **shallots** to other side and toss with **1 tablespoon oil**; season with **a pinch each of salt and pepper**. Roast on center oven rack until potatoes are crispy and golden underneath and green beans are tender and browned in spots, 8–10 minutes.

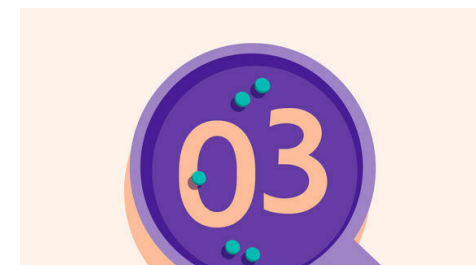

### 2. Prep ingredients

Trim ends from **green beans**. Cut **shallot** into quarters, then separate into pieces.

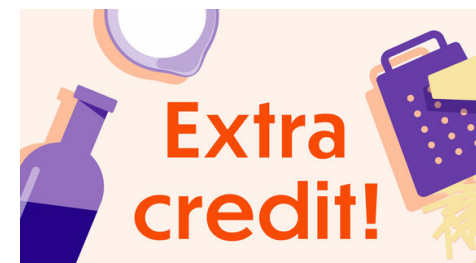

### 5. Cook gravy & serve

Heat **pan drippings** in reserved skillet over medium-high. Whisk in **½ tablespoon flour**, scraping up browned bits from bottom. Whisk in **½ cup water** and **¼ teaspoon vinegar**. Bring to a boil. Cook until gravy thickens enough to coat back of a spoon, 1–2 minutes; season to taste with **salt**. Serve **steaks** with **gravy** spooned on top alongside potatoes and green beans. Enjoy!

### 3. Cook steaks

Pat **steaks** dry, then season all over with **steak seasoning**. Heat **1 tablespoon oil** in a medium skillet over medium-high. Add steaks and cook until well browned and medium-rare, 3–4 minutes per side (or longer for desired doneness). Transfer to a plate; reserve skillet with **pan drippings** for step 5.

### 6. Make it low carb!

We have nothing against potatoes. But, we love how easy it is to swap these roasted spuds for a low-carb variation like roasted root veggies. Cut veggies like carrots, parsnips, and jicama into ½-inch planks. Toss on baking sheet with oil; season with salt and pepper. Roast, shaking baking sheet halfway through, until browned and tender, 15–20 minutes.
