1. Cook fries

Preheat oven to 450°F with a rack in the bottom.

Scrub **potatoes**, then cut into ½-inch thick fries. Toss on a rimmed baking sheet with **1 tablespoon flour** and **2 teaspoons oil**. Season with **salt** and **pepper**; spread in a single layer. Roast on bottom oven rack, until tender and browned, flipping halfway, 30–35 minutes. Toss with **vinegar** and bake 5 minutes more.

4. Cook steaks

Pat **steaks** dry and season all over with **salt** and **pepper**.

Heat **1 tablespoon oil** in same skillet over medium-high. Add steaks and cook until well browned and medium-rare, 3–5 minutes per side (or longer for desired doneness). Transfer to cutting board.

2. Prep ingredients

Thinly slice **shallot**.

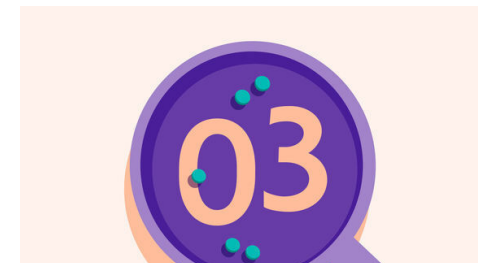

In a liquid measuring cup or small bowl, whisk to combine **all of the cream cheese** and **3 tablespoons water** (it's ok if lumpy).

5. Cook pan sauce & serve

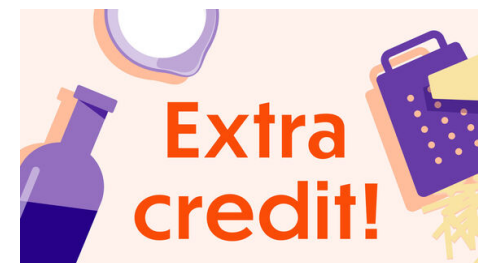

Reduce heat to low; add **steak seasoning**, **remaining shallots**, **3 tablespoons water**, and **2 tablespoons butter**. Cook, scraping up any browned bits until butter is melted and shallots are softened, about 2 minutes. Thinly slice **steaks**, if desired.

Serve **steak** with **pan sauce** over top and with **creamed spinach** and **fries** alongside. Garnish spinach with **fried garlic**. Enjoy!

3. Make creamed spinach

Heat **1 tablespoon oil** in a medium skillet over medium-high. Add **half of the shallots**. Cook until softened, 1–2 minutes. Add **spinach** in large handfuls, stirring to wilt after each addition. Add **cream cheese mixture**. Cook, stirring, until combined, 1–2 minutes. Season to taste with **salt** and **pepper**. Transfer to a bowl and cover to keep warm. Wipe out skillet.
