1. Prep ingredients

Bring a medium pot of **water** to a boil over high.

Finely chop **2 teaspoons garlic**. Trim ends from **scallions**, then thinly slice.

Add **noodles** to boiling water. Cook, stirring occasionally to prevent sticking, until al dente, 4–5 minutes. Drain; set aside for step 4.

2. Make sauce

Meanwhile, heat **2 tablespoons oil** in a medium nonstick skillet over medium-high. Add **scallions, garlic, and red pepper flakes** (use less depending on heat preference); cook, stirring, until sizzling and fragrant, and scallions are bright green, 2–3 minutes. Transfer to a small bowl; stir in **tamari, 2 tablespoons water, 1 tablespoon vinegar, and 2 teaspoons sugar**; set aside.

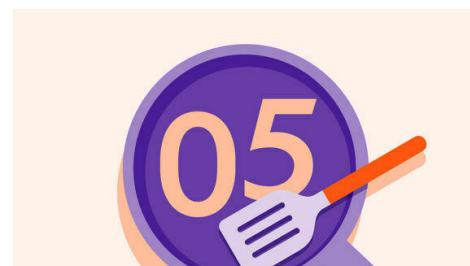

3. TURKEY VARIATION

Heat **1 tablespoon oil** in same skillet over high. Add **ground turkey** and break into large pieces with a spoon. Season with **salt and pepper**. Cook, without stirring, until well browned on one side, 4–5 minutes. Stir, then continue to cook until just cooked through, about 3 minutes more. Drain excess oil, if desired.

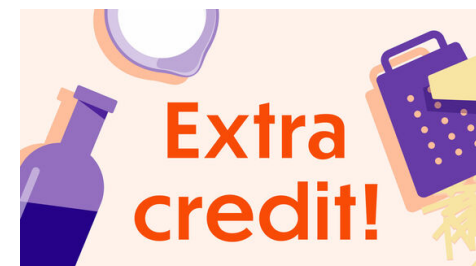

4. Add noodles & sauce

To skillet with **turkey**, add **noodles and scallion sauce**; cook over medium heat, tossing until heated through, about 1 minutes. Season to taste with **salt and pepper**.

5. Serve

Serve **turkey and Chinese egg noodle stir-fry** with **sesame seeds** sprinkled over top. Enjoy!

6. Add some greens

Quickly steam some broccoli florets to toss in with the noodles and turkey. You can also use snow peas, green beans, or any other veggies you have lying around!
