#### 1. Prep veggies

Bring a medium saucepan of **salted water** to a boil.

Trim **snow peas**, then thinly slice lengthwise.

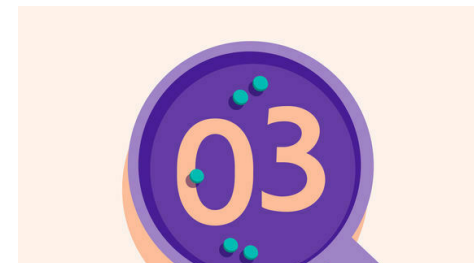

Trim ends from **scallions**, then cut into 1-inch pieces, keeping dark greens separate.

Finely chop **1 teaspoon garlic**.

#### 2. Cook noodles

Add **noodles** to saucepan with boiling **salted water** and cook, stirring occasionally to prevent clumping, until just tender, about 5 minutes. Reserve  $\frac{3}{4}$  **cup cooking water**; drain noodles and rinse under cold running water. Set aside for step 4.

#### 3. Cook beef

While **noodles** cook, heat **2 teaspoons oil** in a medium skillet over high until shimmering. Add **ground beef**; season with **salt** and **pepper**. Cook, breaking up into smaller pieces, until browned and cooked through, about 4 minutes.

#### 4. Cook veggies & sauce

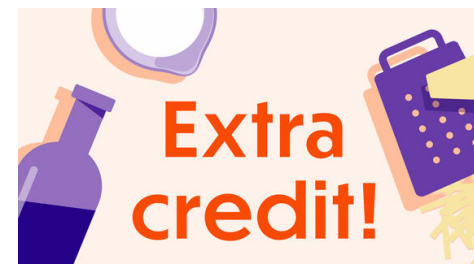

Add **snow peas**, **scallion whites** and **light greens**, and **chopped garlic** to skillet with **beef**. Cook, stirring frequently, until veggies are softened, 1–2 minutes. Add **noodles**, **black bean garlic sauce**, **stir fry sauce**,  $\frac{1}{2}$  **cup reserved cooking water**, and  $\frac{1}{2}$  **teaspoon each of sugar and ground pepper**. Cook, tossing, until noodles are coated in sauce, 1–2 minutes.

#### 5. Finish & serve

Remove skillet from heat; add **scallion dark greens** and **1½ teaspoons vinegar**. Stir until scallions are wilted. Season to taste with **salt** and **pepper**. If sauce is too thick, stir in **1 tablespoon remaining cooking water** at a time, as needed.

Serve **beef lo mein** in bowls. Enjoy!

#### 6. Add some greens

Add broccoli florets with the snow peas in step 4 for an extra dose of veggies!
