- microplane or grater
- medium nonstick skillet
- rimmed baking sheet

ALLERGENS

Egg (1), Milk (2), Wheat (3). May contain traces of other allergens. Packaged in a facility that packages gluten containing products.

NUTRITION PER SERVING

Calories 900kcal, Fat 35g, Carbs 97g, Protein 51g

1. Prep ingredients & sauce

Bring a large pot of **salted water** to a boil over high heat.

In a medium bowl, stir to combine **tomato sauce**, ¼ **teaspoon granulated garlic**, 1 **cup water**, and ½ **teaspoon sugar**; season to taste with **salt** and **pepper**. Set aside until step 3.

Finely grate **Parmesan**, if necessary. Trim stem ends from **green beans**.

4. Cook pasta

While **meatballs** cook, preheat broiler with a rack in the top position.

Add **pasta** to pot with boiling **salted water**; cook, stirring occasionally to prevent clumping, until al dente, about 8 minutes. Drain and return to pot off heat; cover to keep warm.

2. Prep & shape meatballs

In a second medium bowl, gently mix or knead to combine **sausage**, **panko**, ¼ **teaspoon granulated garlic**, 1 **large egg**, ½ **teaspoon salt**, and **a few grinds of pepper**. Shape into 8 (2-inch) **meatballs**.

5. Broil green beans & serve

On a rimmed baking sheet, toss **green beans** with 2 **teaspoons oil**, **salt**, and **pepper**. Broil on top oven rack until crisp-tender and browned in spots, about 5 minutes.

Serve **spaghetti** topped with **meatballs and sauce**. Drizzle with **oil** and sprinkle **Parmesan** over top. Serve **green beans** alongside. Enjoy!

3. Cook meatballs

Heat 1 **tablespoon oil** in a medium nonstick skillet over medium-high. Add **meatballs** and cook, turning occasionally, until browned all over, about 5 minutes. Discard **any excess oil**, then add **tomato sauce mixture** and 1 **tablespoon butter**. Bring to a simmer and cook, stirring and spooning sauce over meatballs, until sauce is thickened and meatballs are cooked through, 5–7 minutes.

6. Make it ahead!

Make the meatballs in step 2 ahead of time and store them in an airtight container in the fridge until you're ready to cook!
