### 1. Prep ingredients

Coat a medium baking dish with nonstick cooking spray or **oil**.

Scrub **potato**, then cut into ¼-inch pieces. Place in a small microwave-safe bowl, cover with a damp paper towel, and microwave until just tender when pierced with a knife, 5-7 minutes.

Finely chop **onion**. Halve **poblano pepper**, discard stem and seeds, then cut into ¼-inch pieces.

### 4. Assemble enchiladas

Arrange **tortillas** on a work surface. Divide **chorizo filling** among tortillas, then roll up and place, seam side down, in prepared baking dish. Pour **egg mixture** over filled tortillas. Sprinkle **remaining cheese** over top. Cover with foil and refrigerate overnight.

### 2. Cook chorizo & potatoes

Heat **2 tablespoons oil** in a medium nonstick skillet over high. Add **chorizo** and cook, breaking meat up into smaller pieces, until browned, 3-5 minutes. Add **cooked potatoes** and **½ teaspoon granulated garlic**; season with **salt** and **pepper**. Cook stirring occasionally, until potatoes are browned, and chorizo is cooked through, 4-6 minutes.

### 5. Bake enchiladas

Preheat oven to 350°F with a rack in the center.

Bake **enchiladas**, covered, on center oven rack for 35 minutes. Uncover and continue baking until **cheese** is melted and enchiladas and **eggs** are set, 10-15 minutes more. Let cool for 5 minutes.

### 3. Add vegetables

Add **onions** and **peppers**; season with **a pinch each of salt and pepper**. Cook, stirring occasionally, until softened and lightly browned, 4-6 minutes. Remove from heat and stir in **half of the cheese**.

In a medium bowl, whisk to combine **1 cup milk** and **cornstarch** until smooth. Mix in **4 large eggs**, **1½ teaspoons salt**, and **a pinch of pepper**.

### 6. Finish & serve

Finely chop **cilantro leaves and stems**. Sprinkle over the top of **enchiladas**.

Serve **enchiladas** with **salsa** on the side. Enjoy!
