1. Cook pasta

Bring a medium pot of **salted water** to a boil. Preheat broiler with a rack in the center.

Thinly slice **scallions**; reserve 1 tablespoon for garnish.

Add **pasta** to salted water and cook, stirring often to prevent sticking, until al dente, 8-11 minutes. Drain well.

4. Make mac & cheese

Heat same skillet over medium; add **drained pasta, all of the cheese sauce, and 3 tablespoons water**. Combine until pasta is evenly coated. Season to taste with **salt** and **pepper**. Remove from heat. Sprinkle **2/3 of the shredded cheese** over top. Pile **barbecue chicken** in the center, then top with remaining cheese.

2. Brown chicken

Meanwhile, heat **1 tablespoon oil** in a medium heavy skillet (preferably cast-iron) over medium-high. Add **chicken** and cook, undisturbed, 2-3 minutes until browned. Flip and break apart slightly to create large pieces. Cook until browned on all sides, 2-3 minutes more. Transfer to a bowl and reduce heat to medium.

5. Broil & serve

Broil **barbecue chicken** until **cheese** is melted and just starting to brown, 2-4 minutes (watch closely as broilers vary). Garnish with **reserved scallions**. Enjoy!

3. Deglaze

Add **1 teaspoon oil** and **remaining scallions** to skillet. Cook, stirring, until fragrant, about 1 minute. Add **¼ cup water** and bring to a simmer, scraping up bits from the bottom of the pan. Add to bowl with **chicken**. Stir in **barbecue sauce** until evenly coated.

6. Spice it up!

Add some spice to this dish by drizzling on Sriracha or sprinkling it with red pepper flakes.
