1. Cook bacon

Place **bacon** in a large nonstick skillet. Cook over medium-high heat until fat is rendered and bacon is crisp, 3–4 minutes per side. Transfer bacon to a paper towel-lined plate; reserve fat in skillet.

2. Make batter

In a medium bowl, whisk to combine **flour, polenta, buttermilk powder, 3 tablespoons sugar, 2 large eggs, ½ cup water, 4 tablespoons melted butter** (see cooking tip!), and **a pinch of salt** (it's okay if a few lumps remain). Let sit for 10 minutes before cooking.

3. Cook johnnycakes

Heat skillet with **reserved bacon fat** over medium. In batches if necessary, pour in about **¼-cupfuls of batter** (do not overcrowd pan). Cook until edges look dry and bubbles form on top, about 2 minutes (reduce heat to low if browning too quickly). Flip and cook until golden-brown on the bottom, 1–2 minutes more (if pan looks dry, drizzle with oil before adding more batter).

4. Serve

Serve **johnnycakes** with **a pat of butter** and **a drizzle of maple syrup**. Serve **bacon** alongside. Enjoy!
