### 1. Prep ingredients

Preheat oven to 425°F with racks in the center and top position. Grease a medium baking dish with **oil**.

Halve **poblano peppers**, discard stems and seeds, then cut into ½-inch pieces. Thinly slice **scallions**. Slice **bacon** into ½-inch pieces.

In a medium bowl, beat **4 large eggs** with a pinch each of **salt and pepper**.

### 2. Cook tortillas & eggs

Brush both sides of **tortillas** with **oil**. Heat a medium nonstick skillet over medium-high. Cook tortillas until browned in spots and just starting to puff, about 30 seconds per side.

Heat **2 teaspoons oil** in same skillet over medium-high. Add **eggs**; scramble until soft curds form, about 1 minute. Transfer to a medium bowl; wipe out skillet.

### 3. Cook bacon & poblanos

Add **bacon** to same skillet over medium heat. Cook, stirring occasionally, until golden and crisp, 4–6 minutes; transfer to a paper towel-lined plate. Reserve **1 tablespoon bacon fat** in skillet.

Add **peppers**; cook, stirring often, until softened, 4–6 minutes. Transfer to bowl with **eggs**. Stir in **all of the sour cream** and **half each of the scallions and cheese**.

### 4. Assemble enchiladas

Spread out **tortillas** on a clean work surface. Season **egg mixture** with **salt and pepper**; evenly divide among **tortillas**. Tightly roll up and place seam-side down in prepared baking dish.

In a medium bowl, whisk together **enchilada sauce**, **¼ cup water**, and **½ teaspoon sugar**. Pour over **enchiladas** and sprinkle with **remaining cheese**, then **bacon**.

### 5. Bake & serve

Cover baking dish with foil; bake **enchiladas** on center oven rack until sauce is bubbling, about 15 minutes. Switch oven to broil. Remove foil and broil on top oven rack until edges are crispy, 2–4 minutes (watch closely as broilers vary).

Serve **breakfast enchiladas** with **remaining scallions** over top. Enjoy!

### 6. Take it to the next level

Do you like ketchup or hot sauce with your BEC? Either works for these enchiladas!
