MARLEY SPOON

Coulotte Steak with Honey-Garlic Pan Sauce

Potatoes & Brussels Sprouts

This bistro-style meal is made for busy nights thanks to our easy potato hack and a quick and elegant pan sauce. We pre-cook potatoes in the microwave and broil them with Brussels sprouts until golden brown, then toss in ranch seasoning. Sweet honey and punchy garlic come together to make a deeply flavorful pan sauce. We sprinkle fresh green parsley on top, and voilà!

1. Prep potatoes

Preheat broiler with rack in upper third.
Scrub **potatoes**, then cut into 1-inch pieces. Place in a medium microwave-safe bowl; cover with a damp paper towel.
Microwave until just tender, about 5 minutes. Transfer potatoes to a rimmed baking sheet and toss with 2 tablespoons oil and a pinch each of salt and pepper. Broil on top rack until lightly browned, about 4 minutes (watch closely).

2. Broil Brussels sprouts

Meanwhile, halve or quarter **Brussels sprouts** (depending on size). Finely chop **2 teaspoons garlic**. Add Brussels sprouts to rimmed baking sheet with **potatoes**; toss with **1 tablespoon oil** and **a pinch each of salt and pepper**. Return to top rack and broil until potatoes and Brussels are browned and tender, flipping vegetables halfway through, 8–10 minutes total (watch closely).

3. Cook steak

Pat **steaks** dry, then season all over with **salt** and **pepper**. Heat **1 tablespoon oil** in a medium heavy skillet over mediumhigh. Add steak and cook until well browned and medium rare, 4-5 minutes per side. Using tongs, hold steak on its side and cook fat-side down until golden brown and crisp, 1-2 minutes. Transfer to a cutting board to rest.

4. Start pan sauce

Reduce skillet heat to medium. Add garlic, 1 tablespoon butter, and ½ teaspoon flour. Cook, stirring, until butter is melted and garlic is fragrant, about 30 seconds. Add ¼ cup water and bring to a simmer, stirring and scraping up bits from the bottom of skillet.

5. Finish pan sauce

Stir in honey and 1 teaspoon vinegar.
Season to taste with salt and pepper. If necessary, thin sauce by stirring in 1 tablespoon water at a time. Reduce heat to medium-low. Return steak and any juices to skillet. Simmer steak in pan sauce to warm through, about 1 minute.

6. Finish & serve

Coarsely chop parsley leaves and stems.

Toss potatoes and Brussels sprouts with ranch seasoning and 1 tablespoon butter directly on baking sheet until butter is melted and veggies are nicely coated. Thinly slice steak. Transfer veggies to plates alongside steak. Spoon pan sauce over the steak and garnish with parsley. Enjoy!
