1. Prep ingredients

Preheat oven to 450°F with a rack in upper third. Finely chop **onion**. Trim ends from **carrot** and **celery**, then thinly slice. Pick **½ teaspoon thyme leaves**, then coarsely chop, discarding stems. Tie remaining thyme sprigs into a bundle using one of the thyme stems as twine.

2. Brown chicken

Pat **chicken** dry, trim any fat, and cut into 1-inch pieces. Season all over with **salt** and **several grinds of pepper**. Heat **1 tablespoon oil** in a medium ovenproof skillet over medium-high. Add chicken in a single layer and cook, without stirring, until well browned, about 3 minutes. Flip and brown on other side, about 2 minutes (chicken will not be cooked through). Transfer to a plate.

3. Cook vegetables

Heat **1 tablespoon oil** in same skillet over medium-high. Add **carrots, onions, celery, thyme bundle**, and **a pinch of salt**. Cook, covered, until vegetables are softened, about 3 minutes. Uncover and cook until vegetables are tender and browned, 2-3 minutes more. Add **2 tablespoons of the flour** (save rest for step 5) and cook, stirring, about 1 minute.

4. Simmer stew

Return **chicken** and **any resting juices** to skillet. Add **chicken broth concentrate**, **½ cup milk**, and **1 cup water**, scraping browned bits from bottom of skillet. Bring to a simmer. Remove skillet from heat, pick out and discard **thyme bundle**, then stir in **peas**.

5. Make biscuit dough

In a medium bowl, combine **chopped thyme**, **⅓ cup milk**, **2 tablespoons oil**, **½ teaspoon salt** and **¼ teaspoon pepper**. Add **remaining flour** to bowl and stir just until all ingredients are combined (careful not to over mix).

6. Bake & serve

Dollop **10-12 level tablespoons of dough** over **stew**. Transfer skillet to upper oven rack and bake until biscuits are lightly browned and chicken is cooked through, 10-12 minutes. Let **chicken pot pie** cool for 5 minutes before serving. Enjoy!
