## 1. Prep ingredients

Preheat oven to 425°F with racks in the lower and upper thirds. Place a rimmed baking sheet on lower rack to preheat.

Halve **pepper**; discard stem and seeds. Cut into ¼-inch thick strips. Halve **onion**; thinly slice.

#### 2. Season & cook beef

In a medium bowl, combine taco seasoning, 1 teaspoon granulated garlic, and 2 tablespoons oil; season with salt and pepper. Use your fingers to shred beef into bowl. Stir to combine until evenly coated.

Carefully remove baking sheet from oven and lightly drizzle with oil. Add beef in an even layer. Cook on lower oven rack until browned and heated through, 10–12 minutes.

## 3. Cook veggies

Add peppers and onions to a second rimmed baking sheet; toss with 2 tablespoons oil and a pinch each of salt and pepper. Roast on upper oven rack until softened and just browned, 20–25 minutes.

#### 4. Heat tortillas & serve

Stack **tortillas** and wrap in a damp paper towel; microwave in 30-second increments until warmed through (or toast 1 tortilla at a time in a skillet over medium heat, about 30 seconds per side).

Serve sofrito beef and veggies in tortillas with guacamole spooned over top. Enjoy!
