1. Brown chicken

Preheat oven to 325°F with a rack in the center. Cut **half of the bacon** into ¼-inch pieces. Finely chop **shallot** and **2 teaspoons garlic**. Pat **chicken** dry; season all over with **salt** and **pepper**.

Heat **2 tablespoons oil** in a medium ovenproof skillet over medium-high. Add **chicken** in a single layer and cook until browned on one side, 4-5 minutes (cook in batches, if needed).

4. Cook potatoes

Bring **potatoes** to a boil over high heat, then cook on medium-low until easily pierced with a fork, 15-20 minutes. Reserve **1 cup cooking water**; drain potatoes and return to saucepan, off heat. Add **half of the mascarpone** and **4 tablespoons butter**. Stir in **enough cooking water** to achieve desired consistency (start with ¼ cup); season with **salt** and **pepper**. Keep covered.

2. Begin sauce

Transfer **chicken** to a plate. Cook **bacon** in same skillet over medium-high, stirring occasionally, until golden brown and crisp, about 5 minutes. Add **shallots and garlic**; cook until softened, 1-2 minutes. Add **½ tablespoon flour** and cook, stirring frequently, 1 minute. Add **broth concentrate, Dijon, 1 cup water, 3 thyme sprigs**, and **½ tablespoon vinegar**; bring to a simmer.

5. Cook vegetables

Trim woody ends from **asparagus**; cut into 1½-inch segments. Finely chop **1 teaspoon tarragon leaves**; discard stems.

Transfer **chicken** to a plate. Discard **thyme sprigs**. Return skillet to stovetop (handle will be hot!). Cook over high heat until **sauce** coats the back of a spoon, 2-3 minutes. Add **asparagus and peas**; cook until veggies are bright green and tender, 1-2 minutes.

3. Braise chicken

Add **chicken**, browned side up, to skillet with **sauce** along with **any resting juices**. Transfer skillet to oven and cook until chicken just pulls apart when pulled with a fork, about 45 minutes.

Meanwhile, peel **potatoes**, then cut into 1-inch pieces. Place potatoes in a large saucepan with **2 teaspoons salt** and enough **water** to cover by 1 inch.

6. Finish & serve

Remove from heat and stir in **tarragon** and **remaining mascarpone**; season to taste with **salt** and **pepper**. Return **chicken** to skillet and spoon **sauce** over to warm.

Serve **chicken** with **potatoes**. Garnish with any **additional tarragon leaves**, if desired. Enjoy!
