1. Prep bacon

Preheat oven to 400°F with a rack in the upper third. Line a rimmed baking sheet with foil. Transfer **bacon** to prepared baking sheet and lay in an even layer. Sprinkle bacon all over with **half of the brown sugar**.

2. Bake brown sugar bacon

Bake **bacon** on upper oven rack until glazed, browned, and fat is mostly rendered, 10-15 minutes (watch closely as ovens vary). Let cool for 5 minutes before serving (bacon will crisp as it cools).

3. Make spicy mayo

In a small bowl, stir to combine **chili-garlic sauce and mayonnaise**. Season to taste with **salt and pepper**.

4. Heat egg bites

Use **2 egg bites** per sandwich for an indulgent breakfast, or use 1 per sandwich and save the remaining for a quick protein kick another day. Heat **eggs** according to package instructions.

5. Dress arugula salad

In a medium bowl, whisk to combine **2 tablespoons oil** and **1 tablespoon vinegar**. Toss **arugula** with **dressing** and season to taste with **salt and pepper**.

6. Finish & serve

Split **buns** and lightly toast in an oven or toaster. Cut **egg bites** into thick slices. Spread **spicy mayo** on **toasted buns**, then top with **sliced egg bites**, **brown sugar bacon**, and **some of the arugula salad**. Serve **remaining arugula salad** on the side. Enjoy!
