1. Prep scallions & chicken

Trim ends from **scallions** and thinly slice.

Pat **chicken** very dry and transfer to a medium bowl. Use your fingers or 2 forks to break chicken into fine shreds.

2. Make chicken balls

To bowl with **chicken**, stir in **cheese**, **Buffalo sauce**, and **scallions** until well combined. Form mixture into 12 (1-inch) balls, firmly pressing to hold shape.

3. Bread chicken balls

Place ¼ **cup flour** in a second medium bowl.

In a third medium bowl, beat 1 **large egg** with 1 **tablespoon water**.

In a fourth medium bowl, add **panko**. Working in batches, roll **chicken balls** in flour, then egg, then panko. Lightly press to help breading adhere, then transfer to a plate.

4. Fry chicken balls

Heat ¼-inch **oil** in a medium heavy skillet over medium-high. When oil is hot (it should sizzle vigorously by adding a pinch of flour), add **chicken balls** in a single layer (cook in batches, if necessary). Cook until golden-brown and crisp on all sides, 3–5 minutes (lower heat if browning too quickly). Transfer to a paper towel-lined plate to drain. Sprinkle with **salt**.

5. Serve

Transfer **all of the ranch dressing** to a small bowl.

Serve **chicken cheese balls** with **ranch dressing** on the side for dipping. Enjoy!

6. Make ahead!

If you'll be crunched for time before serving, make the chicken mixture a day ahead. Store in an airtight container in the fridge until ready to serve, then roll, bread, and fry!
