### 1. Prep ingredients

Bring a medium saucepan of **salted water** to a boil (If it boils before you're ready to cook orzo in step 5, cover with a lid and reduce heat slightly).

Scrub **carrots**; halve lengthwise and thinly slice into half moons. Finely chop **2 teaspoons garlic**. Trim **scallions**, then thinly slice.

### 2. Cook beef

Heat **1 tablespoon oil** in a large skillet over medium-high. Add **beef** and season with **salt** and **pepper**. Cook, breaking up into large pieces, until well browned, 3–5 minutes (it won't be cooked through). Drain **all but 1 tablespoon fat**, if necessary.

### 3. Add veggies & aromatics

Add **baharat**, **carrots**, **chopped garlic**, **all but 2 tablespoons of the scallions**, and a **pinch each of salt and pepper**. Cook over medium heat, stirring, until veggies are softened and beef is cooked through, 2–3 minutes.

### 4. Simmer beef ragu

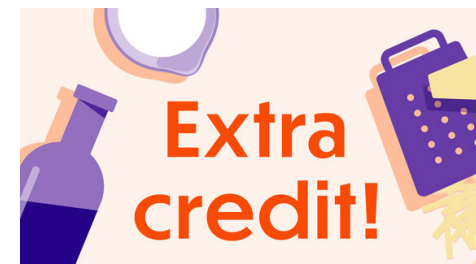

Add **tomato sauce** and **1 cup water**. Bring to a simmer. Cook over medium-high heat, stirring occasionally, until sauce is thickened and **carrots** are tender, 8–10 minutes. Season to taste with **salt** and **pepper**.

### 5. Cook orzo & serve

Return **salted water** in saucepan to a boil, if necessary. Add **orzo**; cook, stirring occasionally to prevent sticking, until al dente, 8–9 minutes. Drain and return orzo to saucepan off heat; toss with **2 tablespoons butter**. Season to taste with **salt** and **pepper**.

Serve **beef ragu** over **orzo** sprinkled with **remaining scallions**. Enjoy!

### 6. Top it off!

Serve this hearty dish topped with a quick homemade mint yogurt for a cool finish. Combine plain yogurt, fresh chopped mint, a splash of lemon juice, and even golden raisins if you're feeling adventurous.
