Bring a medium pot of **salted water** to a boil over high. Pat **steak** dry and thinly slice.

In a medium bowl, combine **beef**, **1 tablespoon teriyaki sauce**, and **a pinch each of salt and pepper**; stir to coat. Set aside at room temperature, stirring occasionally, until step 4.

### 2. Prep ingredients

Finely chop **2 teaspoons garlic**. Trim ends from **scallions**, then thinly slice.

In a small bowl, whisk to combine **all of the peanut butter**, **remaining teriyaki sauce**, and **1 tablespoon each of sugar, vinegar, and oil** until smooth.

### 3. Cook noodles & peas

Although reducing food waste is a top priority, sometimes in spite of best efforts, we end up with leftovers in our test kitchen and packing facilities. When that happens, we still make sure it doesn't go to waste. One way of ensuring all of our nutritious food ends up on a table is by donating to local charities like Table to Table and Grace Place.
