#### 1. BEEF VARIATION

Finely chop **2 teaspoons garlic**. Halve **onion**, then chop into ¾-inch pieces; separate layers. Trim stem ends from **snow peas**, then halve crosswise.

Pat **steak** dry and thinly slice.

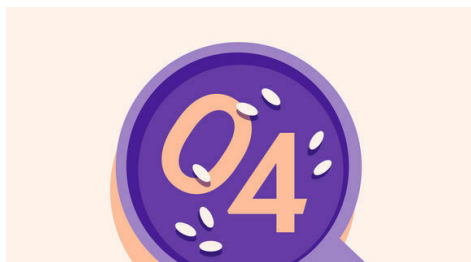

#### 2. Make spicy oil

Heat **1 tablespoon oil** in a medium nonstick skillet over medium until shimmering; carefully pour into a small, heatproof bowl. Stir in **gochugaru flakes** (use less depending on heat preference) and **a pinch of salt**; set aside to cool. Reserve skillet for step 4.

#### 3. Cook noodles

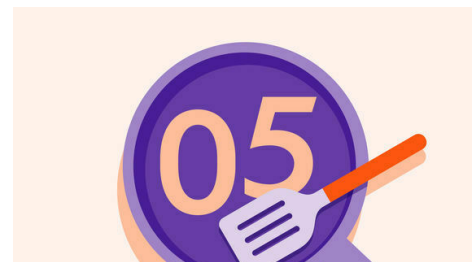

Bring a large pot of **salted water** to a boil. Add **noodles** and cook, stirring occasionally to prevent sticking, until al dente, 6–8 minutes. Reserve **2 tablespoons cooking water**. Drain noodles, then rinse under cold water and toss with ½ **teaspoon oil**. Set aside until step 5.

#### 4. Start stir-fry

Heat **1 tablespoon oil** in reserved skillet over high. Add **beef** and season with **salt** and **pepper**. Cook, stirring once or twice, until lightly browned, 3–4 minutes; transfer to a plate.

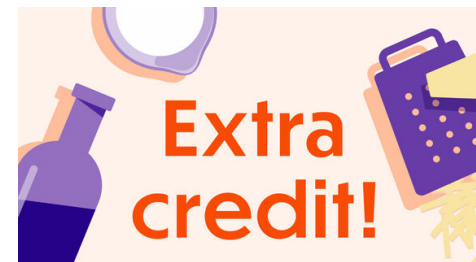

Return skillet to high heat. Add **1 tablespoon oil** and **chopped onions**; stir-fry until browned and crisp-tender, 3–4 minutes. Add **chopped garlic** and cook until fragrant, about 1 minute.

#### 5. Finish & serve

To skillet with **onions**, stir in **snow peas** and **noodles**; cook until snow peas are bright green, about 1 minute. Return **beef** to skillet and toss to combine. Add **all of the teriyaki sauce** and **reserved cooking water**; stir until noodles are evenly coated, about 1 minute.

Serve **beef noodle stir-fry** with **spicy oil** on the side for drizzling over top, as desired. Enjoy!
