

Fast! Chicken Banh Mi Tacos

with Spicy Mayo & Mint

20-30min

2 Servings

Banh Mi are Vietnamese sandwiches characterized by fresh or pickled veggies, herbs (like mint or cilantro), and chicken. This recipe is our twist on that tradition, using flour tortillas to take tacos to a unique place. The vibrant result is a Banh Mi-taco mash-up that is just as fun and flavorful as it sounds. Feel free to leave the hot sauce out of the mayo for delicate taste buds!

THIS IS A CUSTOMIZED RECIPE STEP

We've tailored the instructions below to match your recipe choices. Happy cooking!

1. Marinate chicken strips

In a large bowl or shallow baking dish, combine **all of the tamari** and **honey**, stirring until honey dissolves. Add **chicken strips** and turn to coat. Set aside to marinate until step 5.

4. Cook chicken

Heat **1 tablespoon oil** in a medium skillet over medium-high. Remove **chicken** from marinade, pat dry, and add to skillet. Cook, without stirring, until well browned on one side, about 3 minutes. Stir and cook until cooked through, about 2 minutes more.

2. Prep vegetables

Halve **cucumber** lengthwise, then thinly slice into half moons. Scrub **carrot**, then slice on an angle as thinly as possible. Place both veggies in a large heatproof bowl. Pick **mint leaves** from **stems** and add leaves to bowl; discard stems.

3. Pickle veggies

Heat **rice vinegar** in a small saucepan until boiling. Remove from heat and add **1 tablespoon sugar** and **1 teaspoon salt**, stirring to dissolve. Pour over **vegetables** and toss to combine. Set aside until ready to serve.

In a small bowl, whisk together **mayonnaise** and **Sriracha** (use less depending on heat preference).

5. Warm tortillas

Wrap **tortillas** in a damp paper towel; microwave in 30-second increments until warmed through. Spread **some of the spicy mayo** on each tortilla and top with **chicken** and **vegetables**.

6. Serve

Enjoy!
