

White Chicken Chili Rice Bake

with Cilantro & Lime

40-50min

2 Servings

There are few things we love more than an easy prep, easy clean-up dinner. Tonight, the flavors of white chicken chili take over which means red peppers, cumin, and oregano are a must. Tender cannellini beans add heft and texture, while fluffy jasmine rice soaks in all those chili flavors. Succulent chicken breast strips cook atop the rice and it's all finished off with a sprinkle of cheddar and cilantro and squeeze of lime.
