1. Roast potatoes

Preheat oven to 450°F with a rack in the center.

Halve **potatoes**. Toss on a rimmed baking sheet with **1 tablespoon oil** and **1 teaspoon herbs de Provence**; season with **salt** and **pepper**.

Arrange cut-side down on one side of sheet. Roast on center oven rack until bottoms are lightly browned, about 20 minutes.

2. GREEN BEAN VARIATION

Trim stem ends from **green beans**, then cut or snap in half. Toss in a medium bowl with **1 tablespoon oil**; season with **salt** and **pepper**. Add to open side of baking sheet with **potatoes** in a single layer.

Roast on center oven rack until bottoms of potatoes are deeply browned and green beans are tender and deeply browned in spots, 15–20 minutes more.

3. Cook steaks

Finely chop **half of the shallot** (save rest for own use). Pat **steaks** dry; season all over with **salt** and **pepper**.

Heat **1 tablespoon oil** in a medium heavy skillet over medium-high. Add steaks and cook until well browned and medium-rare, 3–4 minutes per side (or longer for desired doneness). Transfer to a cutting board to rest. Reserve any **oil** in skillet and let cool, 1 minute.

4. Make pan sauce

Heat same skillet over medium; add **shallots**. Cook, stirring frequently, until softened, 1–2 minutes. Add **½ cup water**, **broth concentrate**, and **half of the Dijon mustard** (save remaining Dijon for own use). Cook over high heat, scraping up any browned bits from bottom of skillet, until liquid has reduced by half, 1–2 minutes.

5. Finish & serve

Remove **pan sauce** from heat and stir in **1 tablespoon butter** until opaque and lightly thickened. Season to taste with **salt** and **pepper**, if necessary.

Thinly slice **steaks**, if desired, and serve with **potatoes**, **green beans**, and **pan sauce**. Enjoy!
