THIS IS A CUSTOMIZED RECIPE STEP

We've tailored the instructions below to match your recipe choices. Happy cooking!

1. Season beef

Preheat broiler with a rack in the top position. In a medium bowl, break **shredded beef** into bite-size pieces. Add **2 tablespoons hoisin sauce** to beef, stirring gently to combine. In a small bowl, whisk **1 teaspoon water** into the remaining hoisin sauce and reserve for step 6.

4. Make salad

Combine **romaine, sliced cucumbers, and radishes** in a medium bowl. Sprinkle with **1 tablespoon oil** and **1 teaspoon rice vinegar**; season to taste with **salt and pepper**.

2. Broil beef

Place **beef** on a rimmed baking sheet in an even layer. Broil on top oven rack until heated through and crispy in parts, about 6-8 minutes (watch closely as broilers vary). Sprinkle with **toasted sesame seeds**.

5. Cut lime & pick mint

Pick **mint leaves** from stems. (Pro tip: Pinch your thumb and pointer finger together and run from the top of the stem down to remove leaves quickly). Cut **lime** into wedges.

3. Prep veggies

Meanwhile, chop **romaine** crosswise into 2-inch ribbons down to end, discarding stem end. Trim **radishes**, then thinly slice. Trim ends from **cucumber**, peel one half, and thinly slice (save rest for own use).

6. Serve

Spoon **salad** into bowls and top with **beef** and **mint leaves**. Drizzle **reserved hoisin sauce** on top and serve with **lime wedges** on the side for squeezing over, if desired. Enjoy!
