1. Toast buns

Lightly drizzle a medium nonstick skillet with **oil**. Working in batches if necessary, add **buns** cut sides down and cook until golden-brown and toasted, 30-90 seconds. Set aside until assembly.

2. Cook cabbage

Add more oil if skillet appears dry. Add **2 cups cabbage blend** and cook, stirring occasionally, until cabbage is caramelized and tender, 3-5 minutes.

3. Prep slaw

Meanwhile, coarsely chop **cilantro leaves and stems**. Coarsely chop **all of the peanuts**.

In a large bowl whisk to combine **mayo**, **juice from half of a lime**, **1 teaspoon gochujang** (or more depending on heat preference), and **1 teaspoon sugar**. Season to taste with **salt** and **pepper**.

4. Sear meat

Push **cabbage** to one side of the skillet. Drizzle more oil in skillet if it looks dry. Add **beef** in a single layer. Cook, undisturbed, until well browned on the underside, 2-4 minutes. Stir with cabbage and continue cooking until browned and warmed through, 2-3 minutes more.

5. Sauce beef

Add **2 tablespoons water** to deglaze skillet. Add **hoisin sauce**, **½ teaspoon sugar**, **¼ teaspoon sesame oil**, and a **squeeze of lime juice**. Stir until **beef** is evenly coated in sauce. If sauce is too thick, thin out with water, 1 teaspoon at a time, if necessary.

6. Serve

Add **peanuts**, **remaining cabbage**, and **half of the cilantro** to bowl with **gochujang dressing**; toss until evenly coated.

Spoon **beef mixture** onto **buns** and top with **remaining cilantro**. Serve with **slaw** alongside. Enjoy!
