1. Prep ingredients

Finely chop **2 teaspoons garlic**. Halve **pepper**, discard stem and seeds, then finely chop. Finely chop **cilantro leaves and stems**. Use kitchen shears to finely chop **tomatoes** directly in the can. Cut **lime** into quarters.

4. Make chili

Add **tomatoes and their liquid, beans and their liquid**, and **all but 2 tablespoons of the cilantro** to **Impossible ground mixture** (save remaining cilantro for step 6). Cook, stirring occasionally, until slightly thickened, 6-8 minutes. Season to taste with **salt** and **pepper**.

2. Sauté peppers

Heat **2 teaspoons oil** in a medium saucepan over medium-high. Add **chopped garlic** and **peppers**; cook, stirring, until soft, about 5 minutes.

5. Cook couscous

Meanwhile, bring **½ cup water** and **¼ teaspoon salt** to a boil in a small saucepan. Add **couscous**, stir, cover, and remove from heat. Let stand until water is absorbed, about 5 minutes. Remove lid and fluff with a fork.

3. Brown Impossible ground

Add **Impossible patties, taco seasoning**, and **1 teaspoon salt** to saucepan with **peppers**. Cook over medium-high, breaking up larger pieces of Impossible ground with a spoon, until browned, about 5 minutes.

6. Garnish & serve

Spoon **couscous** into bowls and top with **chili**. Garnish with **remaining cilantro**, and serve with **lime wedges** on the side for squeezing over. Enjoy!
