### 1. Cook potatoes

Preheat broiler with a rack in the upper third.

Peel **potatoes** and cut into 1-inch pieces. Add to a medium saucepan with enough **salted water** to cover by 1 inch. Cover and bring to a boil over high heat. Uncover and cook until easily pierced with a fork, 10–12 minutes.

### 4. Cook steak & start sauce

Pat **steak** dry; rub with **steak seasoning**. Heat **1 tablespoon oil** in a medium skillet over medium-high. Cook until lightly charred and medium-rare, 2–3 minutes per side (or longer for desired doneness). Transfer to cutting board.

Reduce heat to medium; add **remaining garlic, broth packet, 2 tablespoons butter**, and **½ teaspoon flour**. Cook, stirring until fragrant, about 30 seconds.

### 2. Prep veggies

Drain **potatoes** and return to saucepan off heat with **2 tablespoons butter** and **¼ cup milk**. Mash with a potato masher or fork and season to taste; cover to keep warm.

Finely chop **2 teaspoons garlic**.

Cut **carrot** into ¼-inch thick matchsticks (about 2 inches long). Trim or snap ends from **green beans**.

### 5. Finish pan sauce & serve

Stir in **3 tablespoons water**; cook, stirring and scraping up any browned bits from bottom of skillet, until thickened, about 30 seconds. Thinly slice **steak**, if desired.

Serve **sirloin steak** with **fried onions** and **pan sauce** over top. Serve **mashed potatoes, carrots, and green beans** alongside. Enjoy!

### 3. Broil beans & carrots

On a rimmed baking sheet, toss **green beans** and **carrots** with **2 tablespoons oil**; season with **salt** and **pepper**.

Broil on upper over rack until veggies are tender and browned, 8–10 minutes (watch closely as broilers vary). Toss with **half of the chopped garlic** directly on baking sheet.

### 6. Steak tip!

If you think your steak is thicker than usual and the steak seasoning is burning too quickly, finish it off in the oven! Transfer the steak to an ovenproof skillet or baking sheet. Roast at 400°F until medium-rare or your desired doneness.
