1. Roast homefries

Preheat oven to 450°F with a rack in the lower third.

Scrub **potatoes**, then cut into ½-inch pieces. Toss on a rimmed baking sheet with **2 tablespoons oil** and **a generous pinch of salt**. Roast on lower oven rack until golden and crisp, about 15 minutes. Flip and continue to cook, 10 minutes more.

2. LAMB VARIATION

Shape **lamb** into 2 (5-inch) patties, then season all over with **salt** and **a few grinds of pepper**.

Coarsely grate **all of the cheese** on a box grater.

3. Toast buns

After **potatoes** have been flipped, lightly brush cut sides of **buns** with **oil**. Heat a grill or grill pan to high. Add buns, oiled-side down, and toast, about 1 minute (watch closely as they can burn easily). Transfer to a plate.

4. Grill burgers

Lightly **oil** grill, then add **burgers** and cook until browned on the bottom, about 3 minutes. Flip burgers and top each with **cheese**; cover grill and cook until cheese is melted and burgers are medium-rare, 2–3 minutes (or longer for desired doneness).

5. Finish & serve

Carefully toss **homefries** directly on baking sheet with **taco seasoning**. Transfer **burgers** to **toasted buns** and top with **guacamole**.

Serve guacamole cheeseburgers with taco-spiced homefries alongside and ketchup for dipping, if desired. Enjoy!

6. No grill, no problem!

Heat 1 tablespoon oil in a medium nonstick skillet over medium-high. Add buns, cut side-down, and toast on medium-high until lightly browned, 1–2 minutes (watch closely). Remove buns, then add burgers to skillet. Cook until browned and mediumrare, about 3 minutes per side.
