### 1. Prep ingredients

Bring a large pot of **salted water** to a boil.

Halve **onion** and thinly slice. Finely chop **2 teaspoons garlic**. Thinly slice **bacon** crosswise into ¼-inch pieces.

In a small bowl, whisk together **all of the tamari, Sriracha, 2 tablespoons sugar**, and **1 tablespoon vinegar**.

In a second small bowl, whisk **2 large eggs** and **a pinch of salt**.

### 2. Cook noodles

Add **noodles** to pot with boiling **salted water** and cook, stirring occasionally to prevent sticking, until al dente, 6–8 minutes. Drain noodles, then rinse under cold running water and toss with ½ **teaspoon oil**; set aside until step 5.

### 3. Cook bacon & eggs

Heat **1 teaspoon oil** in a large nonstick skillet over medium-high. Add **eggs** and cook, gently stirring to scramble, until soft curds form, about 1 minute. Transfer to a cutting board and break into large pieces. Wipe out skillet.

Add **bacon** and cook, stirring occasionally, until golden-brown and crisp, about 5 minutes. Transfer to a paper towel-lined plate.

### 4. Cook chicken & veggies

Drain **all but 2 tablespoons bacon fat** from skillet. Pat **chicken** dry and season all over with **salt** and **pepper**.

Add **chicken** and **sliced onions** and cook over high, stirring, until onions are crisp-tender and browned and chicken is cooked through, 3–5 minutes. Add **chopped garlic**; cook, stirring occasionally, until fragrant, about 30 seconds.

### 5. Finish noodles & serve

To same skillet, add **noodles, peas**, and **tamari-Sriracha mixture**; cook, tossing frequently, until noodles are coated and sauce is absorbed, 2–3 minutes. Remove from heat and stir in **bacon** and **eggs**; season to taste with **salt** and serve. Enjoy!

### 6. Leftovers!

Since it's basically breakfast in noodle form, you should definitely save any leftovers for chowing down on for breakfast or lunch the next day!
