1. Broil onions & tomatoes

Preheat grill with half the burners set to high and half off. Preheat broiler with a rack in the top position. Set aside **doughs** to come to room temperature.

Thinly slice **half of the onion**. Toss on a rimmed baking sheet with **tomatoes** and **1 tablespoon oil**; season with **salt** and **pepper**. Broil until onions are softened and tomatoes have just burst, 5-8 minutes.

4. Finish crust

Using tongs, flip **dough** and cook until second side is browned and crisp, 1-2 minutes. Transfer **crust** to a rimmed baking sheet, inverting so side that was grilled first is facing down; stack crusts on top of each other.

When ready to add toppings, transfer crusts to a pizza peel or overturned baking sheet.

2. Prep ingredients

Tear **mozzarella** into bite-sized pieces. Finely grate **half of the Parmesan**. Cut **prosciutto** crosswise in thirds. Finely chop **2 tablespoons garlic**.

In a small skillet, combine **chopped garlic** and **¼ cup oil**. Cook over medium-low heat, stirring occasionally, until garlic is soft and golden but not browned, about 5 minutes.

5. Cook tomato pizza

For **tomato pizza**, arrange **tomatoes**, **onions**, and **half of the mozzarella** over **crust**. Top with **half each of the chopped garlic and grated Parmesan**.

Transfer pizza to cooler side of grill. Cover and cook until bottom is well browned and mozzarella is melted, checking bottom and rotating frequently to prevent burning, 3-5 minutes. Transfer to cutting board; dollop with **pesto**.

3. Grill dough

On a **lightly floured** work surface, roll or stretch **each dough** into a 12-inch circle or oval. Brush both sides with **garlic oil**; reserve **chopped garlic** in skillet.

Brush grill grates with **olive oil**. Working one at a time, carefully transfer dough to hot side of grill. Cook until bottom is browned and lightly charred in spots, rotating occasionally after 30 seconds, 1-2 minutes.

6. Cook white pizza

For **white pizza**, arrange **remaining mozzarella**, **grated Parmesan**, and **chopped garlic** over **crust**. Dollop with **ricotta**. Grill using instructions in step 5.

Toss **arugula** with **1 teaspoon each of vinegar and oil**; season with **salt** and **pepper**. Top pizza with **arugula**, **prosciutto**, and **honey**.

Grate **remaining Parmesan** over both pizzas before serving. Enjoy!
