1. Prep veggies

Preheat oven to 425°F with a rack in the upper third.

Finely chop **half of the sun-dried tomatoes** (save rest for own use). Scrub and trim ends from **carrots**, then halve lengthwise; cut into 2-inch pieces. Finely chop **1 teaspoon garlic**. Quarter **onion**, then finely chop ¼ cup, leaving remaining wedges whole.

2. Start carrots

On a rimmed baking sheet, toss **carrots** with **1 tablespoon oil**; season with **salt** and **pepper**. Roast on upper oven rack, about 5 minutes.

3. Season & shape turkey

While **carrots** roast, crumble **feta** into a medium bowl. Stir in **turkey**, **sun-dried tomatoes**, **panko**, **chopped garlic**, **finely chopped onions**, **1 large egg**, ½ **teaspoon salt**, and **a few grinds of pepper**. Gently knead to combine. Divide into 2 equal-sized ovals.

4. Roast meatloaf & veggies

Separate **onion wedge** layers; add to baking sheet with **carrots**, using tongs or a spoon to carefully toss and combine. Push veggies to edges of baking sheet, then place **meatloaves** in center.

Roast on upper oven rack until meatloaves reaches 165°F internally and veggies are tender and browned in spots, 20–22 minutes.

5. Make dressing & serve

Meanwhile, in a small bowl, whisk to combine **2 tablespoons each of vinegar and oil** with **1 tablespoon water**; season with **salt** and **pepper**. Pour **dressing** over **roasted veggies** on baking sheet, tossing to coat. Spoon some of the **sauce** from baking sheet over meatloaves.

Serve **turkey meatloaves** with **roasted carrots and onions** alongside. Enjoy!

6. Carbo load!

We love a low-carb dinner, but if you're in the mood for a little something extra, mashed potatoes are always a good idea!
