1. Prep potatoes & peas

Halve **potatoes** lengthwise.

Trim stem ends from **snap peas**, then thinly slice lengthwise.

2. Boil potatoes & peas

Place **potatoes** and **1 tablespoon vinegar** in a medium saucepan with enough **salted water** to cover by 1 inch; bring to a boil. Simmer over medium heat until potatoes are tender but not falling apart, 12-15 minutes. Add **peas**; cook until bright green and crisp-tender, about 1 minute. Drain vegetables, then rinse under cold water. Set aside to dry until step 6.

3. Make dressing

Meanwhile, finely chop **shallot**. Add to a large bowl along with **mayonnaise**, **mustard**, and **sour cream**; whisk to combine. Season to taste with **salt** and **pepper**.

4. Fry bacon

Place **bacon** in a medium nonstick skillet. Cook over medium-high heat until fat is rendered and bacon is crisp, 3-4 minutes per side. Transfer to a paper towel-lined plate.

5. Finish & serve

Finely chop **dill fronds and tender stems**. Add to bowl with **dressing** along with **potatoes and peas**. Gently toss to combine, then season to taste with **salt** and **pepper**.

Serve **fingerling potato salad** with **bacon** crumbled over top. Enjoy!
