Herb Grilled Chicken with Roasted Green Beans & Peppers

30-40min

2 Servings

This chimichurri sauce best describes our feelings about dinner—all of the time. Zesty chimichurri is full of big, bold flavor that makes everything it touches more exciting and flavorful. In this case, we use it to top tender grilled chicken AND serve even more of it alongside so that the green beans and caramelized onions can also benefit from a little chimichurri lift. We've got you covered!
