#### 1. Microwave potatoes

Scrub **potatoes**, then prick all over with a fork. Rub with **oil** and season all over with **salt** and **pepper**. Place in a microwave-safe dish and microwave on high for 5 minutes. Flip potatoes, then continue to microwave until tender and easily pierced through to the center with a knife, 3–5 minutes (watch closely as microwaves vary).

#### 4. Broil potatoes

Once **potatoes** are cooked, place directly on upper oven rack and broil until skin is crisp, about 2 minutes per side (watch closely).

#### 2. Prep toppings

While **potatoes** cook, preheat broiler with a rack in the upper third.

Trim ends from **scallions**, then thinly slice.

In a small bowl, whisk to combine **barbecue sauce** with 2 **tablespoons water**.

#### 5. Assemble & serve

Once **potatoes** are crisp, carefully split lengthwise and top with a **pat of butter**, if desired. Season with **salt** and **pepper**.

Serve **baked potatoes** topped with **shredded chicken**; drizzle **barbecue sauce** over top. Garnish with **sour cream** and **some of the scallions**. Enjoy!

#### 3. Broil chicken

Place **shredded chicken** on a rimmed baking sheet; using your fingers, break up into bite-sized pieces. Toss with 1 **tablespoon oil** and 2 **tablespoons water**.

Arrange in an even layer. Broil on upper oven rack until heated through and crispy in spots, 3–4 minutes (watch closely as broilers vary).

#### 6. No microwave? No problem!

If you don't have a microwave, bake your potatoes in the oven instead! Preheat oven to 450°F with a rack in the lower third. Place pricked potatoes directly on rack and bake until soft and easily pierced through the center, 45–60 minutes.
