1. Prep ingredients

Thinly slice **scallions**, keeping whites separate. Thinly slice **half of the jalapeño** (save rest for own use); remove seeds if desired.

Use your fingers to break **shredded beef** into bite-sized pieces.

4. Heat beef

Heat **1 tablespoon oil** in a medium nonstick skillet over high. Add **beef** in a single layer and cook, undisturbed, until bottoms are browned and crispy, about 2 minutes. Stir beef, then cook 2 minutes more. Reduce heat to medium-high; add **half of the barbecue sauce**, tossing to coat; cook until sauce is sticky and reduced, about 1 minute more.

2. Make slaw

In a medium bowl, add **half of the cabbage blend** (save rest for own use), **scallion whites, ranch dressing, 1 teaspoon oil, ½ teaspoon vinegar, and a pinch of sugar**; season to taste with **salt** and **pepper** and mix well.

5. Finish & serve

Remove **beef** from heat and stir in **remaining barbecue sauce**.

Divide **slaw** and **beef** between **tortillas**. Garnish with **scallion greens** and **jalapeños**. Enjoy!

3. Warm tortillas

Stack **tortillas** and wrap in a damp paper towel; microwave in 30-second increments until warmed through.

6. No microwave?

If you don't have a microwave for step 3, warm the tortillas in a skillet over high heat, about 30 seconds per side.
