1. Prep ingredients

Peel **cucumber** if desired; thinly slice. Mince **2 medium garlic cloves**. Halve and thinly slice **onion**. Separate **lettuce leaves**; discard core. Set lettuce aside until ready to serve.

In a medium bowl, toss **cucumbers** with **1 teaspoon salt**. Set aside for 10 minutes.

2. Marinate pork

In another large bowl, whisk together **gochujang** (use half for less spice), **tamari**, **half of the garlic**, **1 tablespoon each of mirin and sugar**, and **1½ teaspoons sesame oil**.

Pat **pork** dry; cut into 1-inch pieces if necessary. Add pork and **half of the onions** to **gochujang marinade**; mix well.

3. Cook pork

In a medium nonstick skillet, heat **1 tablespoon neutral oil** over medium-high until shimmering. Add **pork mixture** to skillet. Cook, stirring occasionally, until **pork** is browned in spots and cooked through and **onions** are tender, 3–5 minutes. Season to taste with **salt** and **pepper**.

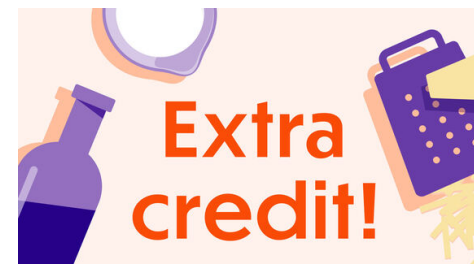

4. Mix cucumber salad

Drain off **excess liquid** from **salted cucumbers**. To bowl with **cucumbers**, add **remaining onions, garlic, and sesame oil**, **1 tablespoon vinegar**, and **½ tablespoon sugar**; mix well.

5. Serve

Serve **pork** with **cucumber salad** and **lettuce** for wrapping. Enjoy!

6. Carbo load!

This dish is lean and mean by design, but you could easily whip up a side of steamed rice—brown or white, you decide!
