1. Prep vegetables

Preheat oven to 425°F with racks in the center and upper third. Remove stem and seeds from **pepper**; cut half into ½-inch thick strips. Cut **half the onion** into ½-inch thick wedges (save remaining peppers and onions for own use). In aluminum tray, toss peppers and onions with ½ **tablespoon oil**; season with **salt** and **pepper**.

2. Roast peppers and onions

Roast **peppers and onions** on center rack, stirring halfway through, until softened and browned in spots, 15–17 minutes. Add **meatballs** to tray. Continue roasting until meatballs are hot, about 5 minutes.

3. Bake bread

Meanwhile, split **baguettes** lengthwise, leaving a hinge on one side. Spread **pesto** on insides of bread. Close bread and bake directly on upper rack until crust is golden brown and insides are soft, about 5 minutes.

4. Bake sandwiches

Cut **mozzarella** into ¼-inch slices. Divide **peppers, onions, and meatballs** between insides of **bread**. Top meatballs on each sandwich with **marinara sauce**; shingle with **mozzarella slices**. Place **sandwiches** in empty tray. Bake on center rack until cheese is melted and sauce is heated through, about 5 minutes. Serve immediately. Enjoy!

5. Tray bake take two!

The foil tray that makes this tray bake so easy is reusable! Wash with dish soap and water, then dry thoroughly. Next time you're ready for a tray bake, spray the tray with nonstick cooking spray for even easier clean-up.
