1. Start ramen

Into a medium bowl, finely grate **2 large garlic cloves**. Whisk in **mayonnaise, ramen base, hondashi, tamari**, and **2 large eggs** until smooth. Trim **scallions** and thinly slice, keeping dark greens separate.

In a large saucepan, heat **1 tablespoon oil** over medium-high heat. Add **scallion whites and light greens**; cook, stirring frequently, until fragrant, about 30 seconds.

2. Cook pork & noodles

Add **pork** to saucepan. Cook, breaking up meat into small pieces with a spatula, until pork is no longer pink, 2-3 minutes. Add **3 cups water** to saucepan; bring to a boil. Once boiling, add **noodles**. Cook, stirring occasionally, until noodles are tender and pork is cooked through, 4-5 minutes.

3. Finish & serve

Remove **noodles** from heat. Ladle **½ cup hot cooking liquid** into **egg mixture** and immediately whisk. Add mixture to saucepan with **pork and noodles** and stir to combine.

Divide **pork, noodles**, and **broth** between bowls. Garnish with **scallion greens**. Enjoy!
