

MARLEY SPOON

Grilled Spiced Steak

with Roasted Tomato Salsa & Pita

30-40min

2 Servings

We LOVE steak, especially with a well-seasoned twist. We rubbed the steak with a spice blend normally used to flavor chorizo and topped it with a charred tomato salsa. This vibrant salsa comes together fast—tomato, scallions, and jalapeño take a quick trip under the broiler and then get tossed together with lime juice and fresh cilantro. It all sits atop a fluffy pita that soaks up those delicious juices.

What we send

1. Prep ingredients

Preheat broiler with rack 6 inches from heat source. Preheat grill to medium-high if using. Slice **jalapeño** in half lengthwise. Trim ends from **scallions**. Slice **½ of the tomatoes** in half lengthwise. Pick leaves and tender stems from **cilantro**, and finely chop **stems**. Juice **lime**.

2. Broil vegetables

Place **jalapeño** cut side down on a rimmed baking sheet. Add **scallions** and **whole tomatoes**. Broil until tomatoes start to burst and vegetables are charred in spots, 3-5 minutes (watch closely as broilers vary). Transfer **jalapeño** to a small bowl and cover with plastic to soften skin, about 5 minutes.

3. Make salsa

In a large bowl, combine **charred and fresh tomatoes, cilantro leaves and chopped stems, lime juice** and **1 tablespoon oil**. Season to taste with **salt and pepper**.

4. Grill steak

Preheat a grill pan over medium-high heat, if using. Pat **steaks** dry and season all over with **chorizo spice blend** and **salt**. Grill steaks, turning once, until lightly charred on both sides, 3-4 minutes per side for medium-rare. Transfer to a cutting board to rest.

5. Finish salsa

Chop **scallions** and add to **salsa**. Peel charred skin from **jalapeño**. Remove stem and seeds for less heat. Finely chop jalapeño and add as much as you'd like to the salsa, depending on your heat preference. Toss salsa to combine.

6. Broil pita & serve

Broil **pita** directly on oven rack until warmed, flipping halfway through, about 1 minute (watch closely as broilers vary widely). Slice **steak** across the grain. Brush pita with oil, season with **salt and pepper**, and tear or cut in half. Serve **steak** on pita and top with salsa. Drizzle any **remaining steak juices** over top. Enjoy!
